

SWAN LAKE

PRODUCTION BY: Van Loon Dance Academy

VENUE: St Matthews Church manly, Pont Hall

DATE: Saturday 24th November 2012

HOW TO USE THE PHOTOSHOOT SCHEDULE:

Find the class(es) that your child attends and arrive at the required arrival time. We kindly ask everyone to arrive on time as indicated on the schedules. Please note that the finishing times are an approximate. In the event of a delay we ask for your understanding and patience.

PARENT ACCOMPANIMENT:

Young children **only** of Ballet & Creative Dance may be accompanied by their parents in the dressing room only. Teaching staff and parent volunteers will be on hand to assist the children. Please understand that space is very limited.

WHAT TO WEAR:

Your child's costume will be ready for him/her on the day. Students can wear a body stocking under their costume if they have one. This is a flesh coloured leotard that can be purchased at Bloch and North Shore Ballet Centre. Students doing costume changes on the day will probably want one as privacy is limited. The body stocking assists with modesty.

As this will be the first time the children are in their costumes it may be that some alterations are made during this time.

MAKE UP ON PHOTO SHOOT DAY:

Children need only wear a bit of makeup to bring their class shot together. Some lipstick and mascara should do it.

Some of our senior students will probably want to do more and any parents who would like to apply a little more than suggested are welcome to do so.

Remove all coloured nail polish, tattoos and all jewellery please. And ensure that all shoes, especially ballet shoes and shoe ribbons are clean.

HAIR ON PHOTO SHOOT DAY:

All ballet students are to have their hair in a neat and secure bun or as specified by their teachers. All other students (jazz, tap, hip hop & contemporary) should have their hair in a neat and secure pony tail unless advised otherwise by your teachers during their classes or on photo shoot day. Boys hair as is!

FOOD & DRINK

It is essential that food or soft drink **are NOT consumed** while in costume to avoid damage from spills etc.

WHERE TO BUY PHOTOS?

Class groups and individual photos will be taken by photographer Philippe Penel Photography. Photo's can be purchased or ordered at Glen Street Theatre on concert day. Alternatively you can view and purchase the photos online at <http://www.ppphotography.com.au/>. Please note: NO photography is allowed during the performances at Glen Street Theatre.
